

SENATE COMMITTEE ON ESTABLISHMENT AND PUBLIC SERVICE
NATIONAL ASSEMBLY, ABUJA NIGERIA
ONE DAY HIGH LEVEL INTERACTIVE SESSION ON THE NEITI BILL

THEME: GLOBAL PERSPECTIVES ON EXTRACTIVE RESOURCE TRANSPARENCY LEGISLATION

The Senate Committee on Establishment and Public Services is currently considering the NEITI Bill at the Upper House of the Nigerian National Legislative Assembly.

It is the deliberate policy of the National Assembly to ensure that inputs from the various publics are taken into consideration in the legislative process through continued expansion of the levels of engagement, both locally and internationally.

To that end, the Senate Committee on Establishment and Public Services, in collaboration with the NEITI Secretariat, invites the general public, including Nigerians in the Diaspora, to participate at a one-day High Level Interactive Session on the NEITI Bill. This is in continuation of the Senate Committees' efforts at making the Legislative process in considering the NEITI Bill truly transparent, accountable and responsive to the views of wider stakeholders.
